

TTG WINS ANOTHER EXPORT AWARD FOR ENVIRONMENTAL SOLUTIONS

Sydney – Australia, Thursday 23 October 2014: TTG Transportation Technology is the winner of the Environmental Solutions Award in the 2014 Premier's NSW Export Awards, and for the second year running.

Deputy Premier and Minister for Trade and Investment Troy Grant congratulated TTG Transportation Technology and this year's other winners of the Premier's NSW Export Awards. "These winners are outstanding examples of some of our State's most innovative businesses, who are successfully competing in the global marketplace and showing the world the high quality goods and services NSW produces."

Export Council of Australia's COO, Lisa McAuley, also recognised TTG's achievements, "On behalf of the Export Council of Australia, I would like to congratulate TTG Transportation Technology, the winner of the Environmental Solutions Award at the 2014 Premier's NSW Export Awards. TTG Transportation Technology was selected from a strong group of finalists who are doing exceptional things in International business. They have shown perseverance and tenacity, and we are excited to see them develop in years to come. The 52nd NSW Export Awards winners all deserve our highest praise, and heartfelt thanks."

PREMIER'S NSW AWARDS WINNERS ANNOUNCED

The Export Council of Australia recognises key businesses boosting Australia's international trade

The 2014 Australian Export Awards recognise high performing businesses in Australia who are driving International trade in a number of dynamic industries. On Thursday 23rd October, Australia's premier exporters gathered at Doltone House in Sydney to celebrate this year's Export Awards. Hosted by the Export Council of Australia, Trade and Investment NSW and the 2014 Premier's NSW Export Award partners the night was one to remember.

This year's finalists included a range of businesses from various industries and locations across Australia; each having made a significant contribution to Australia's international business success. Each of the finalists demonstrated strong leadership in an increasingly complex and challenging international landscape, growing Australia's presence as a world-leading exporter.

"On behalf of the Export Council of Australia, I would like to congratulate all finalists and winners of each of the National Awards categories for 2014. The winners were selected from a strong group of finalists who are doing exceptional things in International business. Each of the finalists has shown perseverance and tenacity, and we are excited to see them develop in years to come. The 52nd Premier's NSW Export Awards winners all deserve our highest praise, and heartfelt thanks." – Lisa McAuley, Chief Operating Officer – Export Council of Australia.

Congratulations to the following 12 winners for their outstanding international success in their respective categories:

- SunRice – Agribusiness Award
- Servcorp – Business Services
- Shoes of Prey – Online Sales Award
- SLR Productions – Creative Industries Award
- University of Western Sydney – Education & Training Award
